

CHURCH NEWS

Longview Baptist Church Newsletter

January will kick off another year filled with many different opportunities. Let me just point out a few of these.

Jan. 6th at 6 pm will be our Sunday School Leadership training. Dinner is at 5:30 and training starts at six. Our focus will be on connecting with our class and building fellowship that leads to growth in each class. Also we will talk about how we can better connect guests with our church and your classes.

Jan. 6th I will also begin a sermon series looking at the Biblical role of the church. We will look at its mission, purpose and practice. God made us to function in community with one another and in so doing to accomplish his kingdom task. I pray it will re-focus us on His mission and purpose for our church family.

Jan. 9th will start back our Wednesday night services. There is literally something for everyone. Children TeamKid will begin at 6:30. Students will worship beginning at 6:30. There will also be several classes for adults both separate and co-ed that will focus on Bible study and spiritual growth. Let me challenge you to not just drop off your kids but come and stay and find a place of study.

Just as most of you do, I pray for our church daily. I pray that God uses us to reach a community and world around us. I pray he works in each of our lives to reveal Himself, His purpose and His ways as we grow in Him. I pray he blesses each family with His presence and peace. I also pray that God will move each of us to be more involved in the life of His church and His work.

Praying for a great year,
Bro Robby

STUDENT MINISTRIES

As 2018 comes to an end, we celebrate all that the Lord has done within our Longview Youth. This year I have been blessed to see many of our students faithfully growing in their relationship with the Lord and humbly serving through leading worship, teaching small groups, and making sure that everyone is welcome on Wednesday nights. God has blessed us with a great group of student leaders and great students. Although God has been working in the lives of many of our students, we know that greater things are yet to come. We anticipate 2019 being even better with growth both numerically and spiritually. If you have a student in our youth program, once again I would highly encourage you to plug them into our youth leadership team on Sunday nights from 6:00-7:00 pm. This is where students are given an opportunity to serve through missions and even in our Wednesday night program. Be praying for our students as we are preparing for an offsite Disciple Now in February. Pray with me that many students will attend, hear the Gospel, and respond accordingly. Pray also that God would continue to grow our students in number, knowledge, and love. Thank you for being so supportive of all that we do.

In Christ,
Josh

“Our Church is moving to a new kind of church record keeping solution called Realm. It primarily serves the administrative needs of our church. Not only will this improve work life for our ministry staff, it will make it easier for our church family to connect with each other, keep up with what’s going on, and grow as a connected community of believers.”

Everyone is invited to Connect in Realm!
Please join us for a night of training in Realm
